Colt**

Description

Louie is a sweet boy thats coming a year old in March. He's a dark chocolate with light flaxen mane and tail with two even back white socks. We bought him 5 mths ago from a good friend of ours that owns his Sire & Dam. His Sire Moore's Sam B is a beautiful black RM stallion and pictured below. His Dam is a beautiful chocolate mare and also pictured below. Louie should mature to around 15 hands. We've decided to sell him and our other black RM weanling filly out of our stallion only because my Husband's trail horse is having feet issues. Louie has been worked with so he stands for the farrier, leads great, ties, and has been trailered. Louie runs to you in the field and is very personable. He doesn't act studdish at all and if you're looking for a well bred breeding prospect he would be great. Otherwise he'll be old enough to geld soon. He's in the pasture with an older gelding and a Weanling filly and gets along with them great. My older horse is a great babysitter and has taught Louie how to behave in a herd. Louie is up to date on his vaccines. Worming and just had his feet trimmed. Take a look at Louie's video and see how he behaves to some desensitizing for the first time! He has a head full of sense and will make you a wonderful trail horse!
