he's in KY getting a refresher and acts like he never stopped!! His original owner purchased him at 18 mths old and her trainer that broke Jake even showed him at 3 yrs old! She also did obstacle courses with Jake! Jake stands for mounting, will stand for a mounting block and walks off on a loose rein. When asked Jake has a nice little gait but is fine taking in the scenery!! With those long legs he has no problems crossing logs or anything else that comes along!! This big handsome gelding will stand in the cross ties quietly, will stand for bathing/grooming, saddling and for the farrier!! Jake is going to make someone a fantastic horse just take a look at this sweet boys video and see for yourself just how nice he really is!!! He's up to date on vaccines, worming, feet, teeth, coggins and health certificate. Jake's current owner has not been riding him much in the last 2 years and he does have to cracks in his front feet, one goes to the coronet band. He's been shod by one of the best teaching Farriers in KY and he says the inside hoof wall is not compromised but owners will be getting X Rays of his front feet.
