Description

Renegade is a beautiful 16.1 hand coming 5 year old chocolate gelding with flaxen mane & tail. He's been hand raised, loves attention and eager to please. He's been under saddle about a year and doing very well on the trails. He's good at ground work exercising and learning to neck rein and move off leg pressure now!! He just started trail riding and doing great in groups rides and out alone. Renegade is with a trainer and will stay there until sold. He's already leading the group and really enjoys being in the woods. He'll give you 100% each time and just needs more consistent riding to make a finished trail partner. Renegade stands for mounting, dismount, Farrier, bathing, cross ties, leads and loads. He'll go through deep mud, water, logs and steep terrain is no problem! He's up to date on vaccines, shoes, worming, teeth and new coggins. Watch his video that shows him doing everything in this write up and more!
