## Description

CF's She's High Class aka Ally is a beautiful chocolate roan with no red gene. She changed colors in the summer to more light roan with darker points and a dark chocolate in the winter. Ally stands 15 hands and coming 4 years old.. She is as gentle as they come and can be ridden by anyone of the age of 4-80. She's been shown and trail ridden. She's been around dogs, donkeys, mini pony, goats, hogs and chickens. Her owners have ridden her by Halloween blowups and have shot a cap gun off of her and she could care less! You can even ride her bitless bridle or with a bit and she rides the same. Her owners/breeders are currently letting some friends

using to teach a 4 and 5 year old kids how to ride by themselves. She is super gentle with them and never steps a foot out of place with her rider. She is not mean or marish at all. She loves attention snd being fooled with. Ally will ride out alone or in groups and in any position and goes through water, mud, over logs and steep terrain. She was shown for the first time last year in a 3 year old Trail Pleasure class at the Rocky Mountain International and came in 2nd!! She stands perfect for mounting, dismount, Farrier, bathing, cross ties, leads and loads. She's up to date on her vaccines, worming, feet and coggins. Once you see Alli's video you're going to love this mare and all she can do!!
