Description

Sam is a beautiful sweet well bred little gelding that loves to please! He's 14 hands now so will probably reach 14.1 hands. He's extremely well gaited and smooth. His owner has taught Sam all Quarter Horse techniques like neck reining, work off leg pressure, side passing, cantering and you can even shoot a gun off his back!! Sam has perfect ground manners and very obedient in the saddle as well. He does great riding out alone or a group, use to wildlife, goes through water, mud and use to steep terrain. Sam is a very willing trail partner and if you are an Intermediate Beginner rider you'll get along fine with him! Sam stands for mounting, dismount, Farrier, cross ties, leads and loads. If you're looking for a horse that has that puppy dog temperament this is your horse! Once you watch Sam's video you'll be amazed and how well gaited desensitized little horse he is!!
