Description

Hope is a beautiful 15 hand 6 year old mare that is able to do two disciplines! Her owner rides her English and uses a Snaffle bit and does Walk, Trot and Canter with her and also rides her western with an Argentine Shank but if you can ride a gaited horse Hope can transition right back into a smooth Trail Pleasure gait. She also has experience on the trails, the entire family rides her including the kids so she is Novice safe! Hope's personality is typical of a Mountain Horse, she's always been with the family and treated like a big pet so loves people. She's very obedient on the ground and in the saddle also and easily adapts to whatever style riding you do. She's great in group rides or if you want to ride out alone. She's not spooky, use to about everything you can run into including kids on bikes, dogs, traffic and gold carts. Hope stands great for mounting, dismount, bathing, Farrier, cross ties, leads and loads. She's up to date on vaccines, worming, feet, teeth, coggins and health certificate. Check out Hope's video to see how wonderful she is!!
