Stunning Silver Buckskin Filly

\$ 8,500

Description

Paris is a gorgeous Silver Buckskin Filly that was born on 1/9/25. She is going to be a big girl, probably mature to 15 hands! Her owner has shown her in hand and even though Paris was nervous she did very well! She stands to have her feet trimmed, cross ties and leads great! Her Sire is a beautiful flashy Gaited Sorrel stallion that has a show pleasure gait and has been very successful in the show ring winning many Championship titles! Her Dam is a Silver Smokey Cream color and does nothing but gait also! If you're looking for a potential show or trail mount plus one with excellent bloodlines you can breed down the road, then this Filly is perfect for you! Pic of her flashy

Sire below and video of him in the ring available! Breeder has several other Weanlings and a yearling available!
