

16H Bombproof Trail Horse

\$ 5,000

Description

Sequoia is a gorgeous 16 hand mare that was born in 2008!! This beautiful blonde girl may be 17 but don't let that fool you this registered TWHBEA still has it going on!!! The ONLY reason this sweet girl is being offered is because the owner is unfortunately unable to care for her the way she wants so an approved home is going to be a must!!! Sequoia has been shown and has quite a nice record but she excels as a bombproof trail horse! She has also produced some very nice babies and is an excellent mama!!! You can see in her video that she's been in several parades, dressed in costumes and even carried the flag! she's been an outstanding trail partner for her owner and will be sadly missed Sequoia will stand to be mounted with a block a ladder whatever you have around!!! She walks on a loose rein has a beautiful gait and will ride anywhere in a group!! She's traffic safe and great in parades, crosses water, logs mud puddles most anything you might come across. This girl is super sweet, beautiful and would be safe just about anyone that knows the basics!! Sequoia will stand quietly tied, for grooming, the farrier and to be saddled!!! She is very patient and forgiving just an overall exceptional mare!!! Take a look at her video and see for yourself just how amazing this girl is!!! Located in Knox, IN.
