

Stunning Well Bred Black Filly

\$ 6,000

Description

Maya is a gorgeous sweet filly that has been handled and desensitized on everything you can think of! She'll be May and is already 14.1 hands! She gaits naturally in the field and has a beautiful little head and ears! She has wonderful breeding so would make a nice show prospect, Trail and Versatility horse and future broodmare! Her owner puts on Obstacle Course competitions and this filly can do them better than most older horses! Maya stands tied, stands for bathing, picks up feet for the Farrier, leads great, and trailer loads! Watch her video to see how amazing this filly is!
