

Well Bred Beautiful Chocolate Filly

\$ 7,500

Description

Starlight is a beautiful chocolate filly that has Snow White mane & tail and once she sheds out she'll have a much darker coat! Her gorgeous Sire carry's two copies of the Silver gene and her Dam is black so this filly only has one copy of the silver and will keep her white mane & tail! Starlight should mature to around 15 hands and as you can see in her video she's extremely natural gaited! She has old bloodlines so she will be great to breed with in the future! Starlight will make a level headed trail horse and with her gait she would do well in the show ring!! Owner also has 2 yr old Grulla filly and another 2 yr old black gelding available! Watch her video so you can see just how well gaited this filly is! Pics of her handsome Sire below! Located in Jackson, KY
