**\$ 4,500**

**Description**

This gorgeous chocolate colt turned a yearling on April 13, 2026. Star has one copy of the silver gene and no red gene. He should mature to around 14.3-15 hands. This colt has some amazing bloodlines! He's out of stunning chocolate show horse Lawson's II Legacy that's directly out of Johnson's Toby and a black mare Nick's Star Fire who's out of the very famous stallion Nick who's out of Sam Clemon's Tim! Pics of both parents below! Star's breeder has been breeding for many years and is very hands on so this colt is very gentle! Star leads great, stands tied, pics up his feet to be trimmed and loves attention! Star is very natural gaited also and will make an awesome trail partner or breeding stallion! His Rocky Mountain papers should be back any time! Located in Beattyville, KY.
