Description

RHF Windswept "Windy" is a beautiful dark chocolate RM stallion that has the best temperament and smooth Country Trail Gait in the breed! He's a great ambassador for the Rocky breed because even though he's a stallion he is so laid back that even a Novice rider can take him in the ring and get a blue! I personally shown this horse for his owners for several years and he's one I could always count on to go in the ring and do perfect each time! Windy has had a very impressive show career so far! 2019 RMHA International AM CT Reserve Grand Champ 2019 RMHA International CT Reserve Grand Champion 2020 RMHA International CT Grand Champion Multiple Country Trail Stallion High Point awards Multiple Country Trail High Point Championship winner 2024 KMSHA Am Country Trail World Show Reserve Grand champion 2025 3rd place KMSHA AM Country Trail World Show champion 2025 KMSHA CT Novice World Show Grand Champion!
