

2 Horse Cimarron With Large LQ and Slide

\$ 53,000

Description

Trailersandtack is pleased to list this very unique Cimarron horse trailer!! It was originally a 3 horse slant but it has been converted to a 2 horse and the stud compartment made into a mid tack, storage area for hay and supplies! Owners have kept this beautiful trailer inside so it's never seen winter weather. It has not been anywhere in over a year but the owners have traveled with their horses to Otter Creek Campground in up state NY. They've taken it to Cross Creek Campground in Missouri! Living quarter area features: 13" short wall Dinette table in the 8" slide out that makes a bed. Brand new large refrigerator, microwave, stove top, double sink and tons of beautiful wooden cabinets for storage! Shower is spacious, porcelain commode with cabinets and closets for clothes or supplies Door in bathroom goes to the mid tack/storage area with another walk thru door into the horse area. Ducted AC & Heat and an onboard generator! • Horse Area: Rear ramp, all aluminum construction, insulated roof, drop-down windows with bars on the head side, sliders on the rump side and 2 fans over the horses. Rubber mats on the floors and side walls. Collapsable Rear tack with blanket and 2 saddle holders. External: Dual Propane tanks Hydraulic Jack Built in Onan generator Awnings on both sides of the trailer Slide out is 8" Trailer length 34" Width 8" Height 7'6" Tires have low miles on them and since the trailer is kept inside there's no dry rot on this trailer. This trailer has been serviced regularly There's also an electric equalizer that balances the trailer for you. This trailer has plenty of lighting outside for camping! Owners have taken great care of this trailer so no need to buy a new one, come check this one out first! Located in Lindsey, Ontario Price is \$37,900 US
