Chocolate More Whoa Than Go Trail Horse

\$ 12,500

Description

This beautiful red chocolate is 14.1 hands and 7 years old, registered and certified Rocky Mountain. Reba is a super loving and affectionate girl that enjoys being with you!! Her owners purchased her at 5 years old and Reba had had excellent training so she's very responsive and neck reins like a dream plus she moves off leg pressure! She stands tied, for the farrier and has great feet and ridden barefoot! Stands for saddling and loves to be groomed!! This gorgeous girl has been an amazing trail horse for her current owner but is now looking for some newer trails!!! Reba would be best suited for someone who knows the ropes of a gaited horse but you don't have to be a pro to ride her! She'll stand to be mounted, walks on a loose rein, and when asked has a nice gait!! She had the winter off so her owners will be riding her getting some weight off her and muscled back up until she sells! Reba enjoys taking on the sights and is very happy riding anywhere in a group but is usually trail riding with another horse. She's use to wildlife, crossing logs, puddles and water!! Her owners are avid riders and have 500 acres of beautiful trails they ride! Reba's original owner had a foal with her at weaning sold her to her current owner who retrained Reba with Natural Horsemanship making her an amazing trail horse she is today! If you look at her pedigree you'll agree she has some wonderful old stock from the Prewitt Farm like Precious Rock, Cypress Rebel and other great stallions like Kilburn's Chocolate, Sam Clemon's Tim, Choco and many more great bloodlines! Reba has a wonderful temperament and is going to make some lucky person a great trail partner!! Take a look at this pretty girls video and then give us a call to come and see her!!! Owners say Reba has no vices and is more whoa than go! She's suitable for an Intermediate Beginner. She's up to date on vaccines, worming, feet trimmed, teeth floated, coggins and health certificate.
