

### 14.3 Easy To Ride Molly Mule

\$ 6,500

#### Description

Ruthie is a beautiful 14.3 Molly Mule that's 10 years old and as sweet as they come! She's 1/2 TWH and very smooth gaited! She was born and raised in KY and has been used for trail riding and working the farm as part of a pair of plow Mules. She currently resides in Minnesota. Ruthie is very obedient on the ground and in the saddle but does not like being ridden bareback. Ruthie is sure footed, gets along with other horses in the field, easy to catch and loves attention! She would be best suited for a confident rider that has owned and ridden Mules before. Ruthie stands great for the Farrier, bathing, cross ties, leads and loads. Ruthie is UTD on all her vaccines, teeth, worming, feet trimmed, coggins and health certificate. Watch her video to see how wonderful Ruthie is!!
