Description

Ginger is a sweet gorgeous 3-year-old 14.3 Dun filly that has been started by her owner with all natural horsemanship! She is very willing, enjoys learning and loves people! She's obedient on the ground and under saddle, with a willing attitude. Ginger is the kind that tries for you, making her a fun and rewarding ride as she continues her training. She is the type of horse that could go in any direction if put in the right hands!! Easy to catch from the field and gets along with other horses and does well when stalled. Her owner was part of SMU 's equestrian team for the past two years and was an accomplished rider with 4 MOPs (Most Outstanding Performances) this year out of the 10 meets they competed in! With all her experience in Reining horses she has started Ginger in that direction so she is very supple and easy to move off the leg and neck reins like a dream! In Ginger's movie you can see her do some spinning in each direction and her smooth canter! She has the pedigree to be an awesome Cow horse also! Her bloodlines are full of amazing horses like Peppy San Badger, her grandfather on her dams side, was big in the AQHA world and won a lot of money in the cutting world (NCHA)!! Ginger would make a nice 4H horse, trail horse, cutting or reining and future breeding prospect! She's solid on the trails and will lead the group or follow but also safe out alone with a confident rider! She will go thru creeks, mud, over logs and various terrains and does not spook easily and if she does see something new she checks it out without overreacting! There's not many 3 yr olds out there that are as calm and good natured as this beautiful Dun!! Watch her video that shows her owner doing all the things she's trained Ginger to do! Trail riding videos coming soon. Located in Bardstown, KY.
