

**Gorgeous Well Trained Trail Horse**

**\$ 17,500**

**Description**

Sadie is a drop dead gorgeous Chocolate Rocky Mountain mare that stands perfectly made at 14.3 hands! She is one of the prettiest Chocolate mares around! Sadie's owner has found herself with too many horses and is afraid Sadie is not getting ridden enough anymore. She's a horse who loves people, loves life, loves to ride, gaits well and fast! Owner is 82 with 4 gaited horses and has had to cut back. Sister Sadie is always alert, ears forward, smart, athletic and just needs someone to be her best friend and she will take them to the end of the world!! Owner feels she needs an experienced rider as she Sadie hasn't been ridden a lot in the last year, but she is well trained. Like her grandfather, Choco-Lot and her Great Grandfather, Choco Dock, Sadie is dark chocolate with thick flaxen mane and tail - she is very beautiful, always alert with her ears forward like she's posing for the camera! Below are photos of Sister Sadie's Sire Bibbity Bottity Blue, Grandfather, Choco-Loc, and her great-grandfather Choco Dock! Sadie is great on the trails, use to wildlife, water and very sure footed. Owner's property backs up to 6000 acre conservancy so there's lots of creeks, large oak trees and a river so there's lots of people hiking and on bikes so she's use to about everything you'll run into. Owner lets a friend ride Sadie a lot and he's taken her to their town Meiners Oak to ride where they have one traffic light at which they'll

stop at and go to the Ace Hardware and the gas station where everyone knows Sadie! She's also use to big trucks and trailers their in town! She stands perfectly for the mounting block, Farrier (Has great feet), stands tied patiently. Sadie has great ground manners, very obedient and well trained (3 months with Mindy Smith) for a refresher! If you're an experienced trail rider and need a trusty mount then you need to come check out this beauty! You'll be the envy of all your friends on a horse like Sadie!! She's up to date on vaccines, worming, feet, teeth and coggins! Trail videos coming soon! Located in Ojai, CA.
