14.3 Easy To Ride Sweet Trail Horse

\$ 8,000

Description

Spirit is a beautiful well made Spotted gelding that stands 14.3 hands and turns 13 in July. This sweet boy loves people and his owner has owned him all his life and had him trained by the same Amish guy riding him in the video 10 years ago! He's 1/2 Spotted Saddle 1/2 Rocky Mountain! Owner says Spirit hasn't been ridden a lot in the 10 years but when he was ridden he always was easy to ride! He's been back with his trainer for a month for a refresher and already acts like he's a seasoned horse that's been rode the whole time! Spirit is very laid back and has a smooth 4 beat gait, very handsome with great conformation! He does great on the trails and not afraid

of anything! Where he's being trail ridden there's some steep terrains, water and trees down but Spirit does just fine! He rides alone great but also does well in a group. Trainer will be working on getting trail videos soon! Spirit stands great for the Farrier, stands tied, bathing, leads great, traffic safe, rides with a dog and trailer loads. He would make a nice trail horse for any level rider! He's up to date on worming, teeth just floated, shoes and getting a new coggins and health certificate this week! If you're looking for a horse that's fun to ride and laid back but will walk on a loose rein and gait like a dream this is your horse!! Watch his video that shows how smooth and obedient he is!
