

14.2 Stunning Chocolate Trail Horse

\$ 10,000

Description

Rock is one handsome gelding! He's the perfect size at 14.2 and coming 8 yrs old in Oct! His owner purchased him a year from someone that had passed away and only used him as a sweet pasture ornament so he's been under saddle for 1 yr. Owner sent him for 60 days of professional training last year and has trail ridden him weekly and worked with Rock to make him the wonderful trail horse he is! There's a few things she's still working on with him but nothing major. Rock is brave on the trails, doesn't overreact he'll lead or follow, go thru creeks, mud and various terrains great and very sure footed! Rock stands for mounting, bathing, cross ties, leads great and trailer loads! Owner says Rock needs a confident rider who is light handed with light legs since he's very responsive to his rider. A younger person would have a blast on him or someone that wants to add their own buttons would love Rock! He's got a natural smooth 4 beat gait and a head full of sense but his owner has 6 Rockies and is having surgery in July so doesn't want Rock just sitting. In Rock's video you can see all the places they trail ride at and how well he does! PPE'S are welcome! He's up to date on worming, feet, teeth, coggins and health cert!
