Gorgeous Well Trained Filly

\$ 10,000

Description

Rainbow is beautiful Registered and certified RMHA filly with 4 white socks and a unique little blaze! She's stands 14.3 hands and 3 yrs old. Owner just got back from taking her camping at Big South Fork, TN. and she did amazing and acting as though she had been trail ridden for many years! Owner purchased her over the winter from the breeder and started her the right way! Owner's young Daughters named her Rainbow and can also ride her inside the arena! She's very sweet and loves to be with her people. She has never bucked or reared and has good mind! Rainbow is a forward moving filly and has a nice racking gait and has never paced! She trail rides

with dogs, use to farm machinery, traffic, dogs, and chickens. She will cross any creek and even walks right in their pond when asked! Due to her age and limited riding owner would call her green but has a very good start!! Rainbow comes over to a mounting block to get on and off. She has started to learn to side pass but doesn't have that perfected yet. Unlike many young horses, she doesn't jump over logs or ditches, she steps easily and is very sure footed on a trail! She has been camping and stayed on tie lines overnight. Rainbow is good for the farrier and has plain keg shoes on all 4. She loads in a trailer well and will back right out. She gets along with mares and geldings! She is turned out to pasture the majority of the time and is easy to catch, comes right to the gate! She will ride in the front, middle, or back of the pack. She prefers the front but is easily held back. She has no problem leaving the group and ride the opposite direction without fuss! Owner has done a fantastic job with her training and will continue riding her until she's sold. If you're looking for a nice well trained trail horse that just needs a confident rider to keep her going this Filly will make you a forever loyal trail partner! Rainbow is up to date on all her vaccines, worming, teeth, coggins and health certificate! Located in Waverly, OH.
