

## Stunning Total Package Chocolate Colt

\$ 25,000

### Description

Sampson is an amazing young colt that has tons of potential! At only 3 he's already proven to be bomb proof on the trails and ready for this seasons show circuit! He's about as handsome as you'll find in a Rocky with his beautiful flaxen mane and tail! His Sire is chocolate but his Dam is black do single silver. He has incredible pedigree with several Grand Champions and almost off show horses in his bloodlines so perfect for breeding or showing! There's VBF'S Storm Warning, Choco Dock, Dock, Buddy Roe and Sam Clemon's Tim! He's also perfect as a bomb proof trail horse since he's already very calm especially for a young stallion! Sampson will go in deep water, mud, over logs, steep terrain, traffic and dog safe. He's got a smooth flashy 4 beat gait but doesn't have the high strung temperament that usually goes along with a big front end. He's about as perfect as you will find in every way! Sampson's video will show his wonderful gait but there's more video coming soon of him out on the trails! He's had 90 days of professional training and will continue to stay with his trainer until sold and debut in the show ring soon! Sampson is destined for big things, his future has endless possibilities with the right owner! He's up to date on all his vaccines, worming, teeth, shoes, health certificate and coggins and in the process of being certified to breed. Watch his video and you'll fall in love with this boy!
