

**Amazing Well Trained Grey Trail Horse!**

**\$ 12,000**

**Description**

Game is a 7-year-old Tennessee Walking Horse gelding standing 15.3 hands tall. He has been trail ridden extensively throughout Ohio and Kentucky and has been the owner's primary trail horse since he was 2 years old. Owners purchased him as a long yearling, so we know his complete history. Game has an exceptional personality and gets along well with both mares and geldings in turnout. If you call his name, he'll come right to the gate to meet you. He stands quietly for the farrier, bathing, and clipping, making him easy to handle in every aspect of his care. He has been on numerous overnight camping trips and stands patiently on a tie line. He's equally content being stalled when needed. Throughout his career, Game has been ridden by riders of all experience levels. He is happy to walk the trails all day if that's your style, but he is also confident enough to ride in large groups or head out on the trail alone and he's traffic safe! Game is the horse they trust when introducing young horses to the trails because very little fazes him. He is patient, forgiving, and doesn't mind if a young horse accidentally bumps into him. He has been ridden through all types of terrain and handles it with confidence and ease. Above all, Game is a kind, affectionate, "in-your-pocket" horse that loves attention and enjoys being around people. He is a dependable trail partner with a gentle disposition and is ready to make someone else an outstanding companion on the trails!! Just watch his video that shows just what a wonderful trail companion he is!! He's up to date on worming, vaccines, teeth floated, shoes, and getting a new coggins and health cert! Gamer is located in Kingston, OH.
