Description

Here's a gorgeous well bred Smokey Black mare that stands 14.3 and the perfect age of 6 yrs old! Faith comes with her beautiful chocolate Filly that was born April 25th! This mare is very talented! She has competed in several Obstacle competitions and at the Equine Trail Sports Competition in Nov. 2024!! Faith is a wonderful trail partner and has been on several big trail rides! She's brave on the trails, will lead or follow and will ride out alone just fine! Faith neck reins, side passes and when asked has a wonderful smooth canter! Her beautiful chocolate filly's Sire is Keystone's Nitro Shock! Nitro is a very well made accomplished stallion that stamps his offsprings with his beautiful gait and calm disposition! Faith stands great for the Farrier, mounting, cross ties, bathing. She also has great ground manners and will trailer load and travel quietly. Faith by herself is worth what her owner is asking so you'd be getting a free Weanling Filly! Or if you're not set up for a Weanling Owner will work something on Faith's price! On her video you can watch Faith competing in an Obstacle Course Competition 2 years ago and currently ridden with her Filly running at her side and never break her smooth gait! If you're looking for an amazing mare that can do it all you need to schedule a day to come ride this talented mare! Owner also has another seasoned black mare that comes with her Chocolate Weanling Colt and he also has Faith's previous yearling Colt available! Located in Minooka, IL.
