Description

Flo is a gorgeous Filly with some very well known bloodlines full of color and show horses! On her Sire's side there's Grulla and Blue Roans and on her Dam's side tons of Blue Roan! Flo was born 4/21/25 and has some amazing bloodlines! Her Sire is a gorgeous Dun stallion whose pedigree goes back to Spanish Sundown, Broken Bones Sam's Son, Kilburn's Chocolate, and Johnson's Toby! Flo's Dam is a gorgeous black mare out of the gorgeous blue roan stallion Quicksilver! Flo's breeders are very hands on with their young ones to make sure they are easy to handle for their new owners! Flo will stand tied, good with her feet getting trimmed, leads great

and loves attention! She should mature to 15-15.1 hands and when she sheds out her darker hair this spring she will look entirely different! Some of her pictures from the summer show a lot of her roan colors! If you're looking for a gorgeous trail horse, show horse and future broodmare to pass on her genes look no further! Pictures of her beautiful Sire & Dam below! Flo is located in Parksville, KY.
