\$ 6,000

### Description

Tequila is a gorgeous hand raised dark bay mare that's owned and ridden by the family that raised her. She stands 14.2 and one heck of a Racking Horse with her super smooth gait! She can go many speeds and even though she can be fast she still very obedient and if you want to walk on a loose rein she's fine with that also! She's great in a group or out alone. Tequila is used to riding on the roads so very traffic safe. She's used to side by sides, tractors and farm equipment and doesn't spook easily. Her owner still has her black sire who's also very easy to handle and ride. Tequila goes through water, mud and steep terrain. She stands great for the Farrier, mount, dismount, bathing, cross ties, leads and loads. Watch Tequila's video to see what a fast smooth gait she has!
