Description

This gorgeous black gelding is 1/2 Racking Horse 1/2 Rocky Mountain but when it comes to his gait he's super smooth! He's 15.2 hands, hand raised and loves people. When asked Little Man he can roll on down the road!! He might be fast but Little Man will also dog walk when you want, smooth running walk and has several speeds to his gait. He's got plenty of heart for those long trail rides but not a nervous horse at all. He's very obedient on the ground and in the saddle. He rides in a group or out alone and use to about everything you'll encounter on the trails and traffic safe. He stands for great for mounting, dismount, Farrier, cross ties, leads and loads. Little Man has been raised and ridden by the same family who own him now. This gelding won't last long so check out his video and schedule a trip to come see Little Man!
