### Description

Red is a beautiful sorrel gelding that's 13 years old and 15.1 hands. He's very sweet, and loves to be with you. His previous owner had to sell him because he's older and unable to ride now but was riding Red daily to go to the store so Red's use to traffic and riding on the road. He's suitable for anyone that knows he basics like an Intermediate Beginner. He's use to wildlife, group riding, riding out alone, doesn't get anxious when another horse in the group leaves either. He'll go through deep water, mud, over logs and steep terrain. This boy absolutely will go through anything on a trail without hesitation! Red loves the woods and he's fearless on the

trails and has an easy mouth so no pulling hard to get him to stop. He's up to date on worming, shoes, coggins and health certificate. Come ride this gelding or watch his video and you'll fall in love with Red!
