## Description

Blaze is a stunning golden Palomino that's the perfect age of 7 years old and 14.3 hands. She's got tons of trail miles, use to riding in groups or fine out alone. Blaze goes through the woods with ease no matter what kind of trails you ride and if you have trouble getting off and on don't worry Blaze is patient and will let you mount/dismount off of anything you can find! She gets along with other horses in the field and does not act Marish at all. In the video her rider is recovering from a broken hip and you can see how patient she is with him. Blaze has had one 2 year old palomino colt that's as beautiful as she is! Her owner also has a gorgeous 4 year

old matching gelding that's 15.1 but takes a little more experience to ride. Blaze is safe enough for anyone to ride as long as they know the basics. Blaze stands great for the Farrier, bathing, cross ties, leads and loads and when you watch her video you'll see how smooth gaited she is and traffic & 4 wheeler safe! She's up to date on worming, shoes, coggins and health certificate. Once you watch her video you'll see how amazing this mare is!
