Description

Sandia is a beautiful 15 hand mare that's the perfect age of 10 years old. She has tons of experience and can really move out when asked. She's very stout built and agile with a very smooth gait with plenty of stamina for those long rides. Her owner likes to ride in an arena but Sandia prefers the trails. Sandia does better with a confident rider, someone that has experience and loves to get lost in the woods! She rides out in groups or out alone, she goes through water, mud, over logs and steep terrain great. This mare will give you 110% every ride and get you back safely. Sandia stands great for the Farrier, mount, dismount, bathing, cross ties, leads and

loads. She's up to date on vaccines, feet, worming, coggins and health certificate. Watch her video to see what a nice trail horse Sandia is!
