Dallas might be only 3 but he's had 5 mths of training with one of the best Rocky trainers Jessica Shannon. There's nothing you can't teach this young horse because he's very willing and eager to please! Dallas is use to

group riding or does fine out alone. He's got plenty of trail riding experience out in the mountains of Utah. He'll go through water, mud, logs, and steep terrain. His owners who are breeders think he'll end up 15.1 hands once he's finished growing. If you're looking for your forever trail buddy look no farther, his price might be above average but so is this horse!
