

## 15.2 Chocolate Smooth Gaited Gelding

\$ 8,500

### Description

Storm is 15.2 hands and still growing! He's only 2 years old and being lightly started since he's such a big boy. He's chocolate with flaxen mane & tail. He's had 30 days of training already and he will continue his training until he's sold. He's doing really well, no bucking or rearing and you can tell he's eager to please. Storm is very sweet and actually not hard to ride especially since he's still green. He has been on a few trail rides already and does fantastic with other horses! He's great with the Farrier, stands for mounting, dismount, bathing, cross ties, leads and loads. He's muscled up and if you're an experienced rider or have a trainer and can keep him riding going you'd be fine with Storm. This is a great way to save some money plus be able to finish one the way you like! He's up to date on worming, Wolf teeth pulled, shoes, coggins and health certificate. Watch his movie to see how smooth gated Storm is!!
