14 Hand Trail Horse

\$ 4,500

Description

Tonto is a cute little guy with tons of heart. He's 10 years old and 14 hands so perfect for someone that wants a shorter stockier type trail horse. He's smooth gaited, walk on a loose rein and will go wherever you point him. He does great out on the trails alone or with other horses.. He goes through mud, water, over logs and steep terrain. He stands for mounting, dismount, bathing, cross ties, loads in the trailer and stands great for the Farrier. In his video you'll see him going through a creek and over a bridge with no issue at all. Tonto would be suitable for an Intermediate Beginner rider. He's up to date on worming, shoes, coggins and health certificate. Once you watch

his video you'll see what a nice horse Tonto is!
