

Gorgeous Tobiano Easy To Ride Colt

\$ 7,500

Description

Doc is a beautiful Tobiano that's 3 years old and 15.1 hands. His owner is having him gelded but says you'd never think he was still a stud because he's so well behaved and unbelievably easy to ride. He loves attention, obedient on the ground and in the saddle he's easy in the mouth, supple and responsive. Doc has been easy to put under saddle because he's so trusting of people. His owner who's not a professional trainer was able to do it all himself so that says a lot about this colt! His owner used natural horsemanship techniques and with Doc so he's very responsive and willing to learn. Doc stands great for the Farrier, mounting, dismount, bathing, cross ties, leads and loads. If you're wanting a calm well bred breeding stallion to trail ride or show Doc is perfect for you. Dock is up to date on vaccines, feet, worming, coggins and health certificate.
