Description

Dixie is a big well made 16 hand KY Mountain mare. This beautiful bay girl is a great age at 6 and is an awesome trail partner!! Dixie would be suited for just about anyone to ride as long as they knew the basics!! And if you like the look of a quarter horse but want that nice smooth gait then Dixie just might be your girl!! This sweet mare does great on the trails doesn't overreact to things, she'll cross mud, water and with those long legs can cross logs with ease!! Dixie will walk on a loose rein and has a nice smooth gait when asked!! She does fine on any type terrain and is traffic, atv safe. She stands quietly in cross ties, for grooming, saddling, and the ferrier. If

In the video you will see the rider shooting a gun off her back this was the first time he had done that with her!!
