### Description

Boogie is a gorgeous colt out of two well bred multi Grampian Sire & Dam! He stands 14.3 and is 2 years old and has been hand raised and desensitized in every way! His owners have done everything possible to set him up to be an awesome trail horse for some lucky person! Boogie was used last month in a one day clinic called The Wild Horse Ministries. By the end of the day they were riding him and pulling a 4 year old with him in a sled! This can be seen at the end of his video. The young lady riding him is only 14 years old and has only ever worked with her own horses so not a trainer. The owners 14 year old Grandson has been working with him since he was

born so Boogie loves people and wants to be right with you! They have tried everything they can think of to show Boogie and he just looks and goes on! His Sire & Dam are LV's The Hangman, a 6 time International/world Grand Champion and 2 time Reserve International Grand champion, he has won both the open and Amateur grand championships in all 3 mountain horse divisions. Dam is RRF's Fashionista she is a UMH Amateur show pleasure world Grand Champion..this colt has the mane gene, his mane is already very long and his tail almost touched the ground This colt would make an excellent future breeding stallion for anymore that breeds these wonderful Rockies! They've only been lightly riding him to show how amazing his is for this video so he's not been on any trail rides or more than a walk. He stands great for mounting, dismount, bathing, Farrier, cross ties, leads and loads in a trailer great! He's up to date on his vaccines, worming, feet, coggins and health certificate. Watch this video showing how amazing this colt is and you'll be very impressed!
