

Versatile Easy To Ride Chocolate Trail Horse

\$ 12,500

Description

Looking for a new barn, due to NO FAULT of his own, Johnny Ringo is a 3 year old gelding. His owner made the tough decision of selling him strictly because he isn't exactly what he wants in a show horse. Ringo has had 12 months of professional training at Valley View Mountain Horses in the hands of Jason Stefanic. He is registered and certified RMHA and KMSHA. From day one, his owners knew Ringo had one of the best minds anyone could find in a horse. It only took 20 minutes to put him under saddle! Ringo stands 15 hands tall with a nice thick build. He will make a big horse when he is matured. Ringo is fearless when exposed to new things he hasn't seen before. Traffic doesn't bother him, he can open a gate. Stands tied all day long. He currently is shod all the way around. He trailers great, been taken all around the state of Kentucky showing all season. He is currently in Cynthiana KY. Can help arrange shipping across the United States. If your interested in an amazing stallion prospect, don't drag your feet on this opportunity to own him. Watch Ringo's video to see him cross deep water, take an 11 year old boy a ride on the farm then show at the Rocky Mountain International last month in Trail Division. Up to date on shots, worming, feet, coggins and Heath certificate.
