\$ 3,500

Description

Red is a nice made 16.1 gelding that's the perfect age of 13. He's very gentle and suitable for anyone that has basic riding skills. He's not your typical off the track Standardbred since he's not very fast or high strung at all. Red rides out great alone or in a group, he's traffic safe, use to side by sides & 4 wheelers, use to about everything you can run into while trail riding. He stands great for a mounting block or anything you want to stand on to get on. Stands great for the Farrier, bathing, cross ties, leads and loads in the trailer great. He's up to date on worming, shoes, coggins and health certificate. Red is just a very sweet obedient boy that loves to please! If

you need a nice tall Gaited trail horse Red might be for you! Watch Red's video to see what a wonderful horse he is!
