Description

Phantom is a finished ranch horse that has been ridden by all ages and levels of riders. He has been used to rope in the pasture, sort pairs, doctor calves, check fences, and move large herds of cattle. He is very well broke with an excellent handle and a wonderful personality on the ground. He has excellent ground manners, he stands tied for any length of time, he loads, bathes, and hauls with no issues. He has a super soft mouth and he is very easy to stop and steer. He has a one hand neck rein and will sit down and turn around when asked to do so. It also won't get too deep or too steep for Phantom. He will go anywhere you point him and he will also swim in deep water. He will ride bareback and in just a halter and lead rope. He will ride nicely off of leg and seat cues. He lopes nice circles whether in the arena or out in the open. He is thick made and has good bone with an attractive head.
