Description

Rooster is a handsome registered Quarter Horse. He stands at 15 hands and is 16 yrs old. Rooster is being offered for sale only to someone who lives in a non humid climate. This boy sure is special he's been with the same family since he was 2 and they have done a phenomenal job with this guy. Rooster can do barrels, poles and has been used for goat tying. He is very responsive to your commands and what is asked of him. He's not a dead head but is very level headed doesn't get hyper at the gate when in competition he walks in good and then out. He does best with a confident experienced rider that's use to the quickness of a trained Qtr horse. When your done with the competitions he's one you can take the next day for a nice leisurely trail ride and take in the sights. He will cross water, logs and does great in different terrain. He will stand for mounting walk on a loose rein open gates will stand quietly tied for the ferrier for tacking and grooming. Rooster is a really sweet boy and is waiting for some new adventures. No matter what you may want to do Rooster is sure to please!! Take a look at this boys videos and see for yourself just how great he really is!! Rooster is best suited for an intermediate rider or a young person for 4 H because he does love to compete and is very responsive to your hands and legs, just needs to be in a cool climate. He's up to date on vaccines, worming, feet, teeth, coggins and health certificate. Once you watch his video you'll be amazed at all the things he can do!
