Well Bred Gorgeous Silver Grulla Colt

\$ 6,500

Description

Blaster is a beautiful Silver Grulla Colt that's super sweet and well Gaited! He has thick flaxen mane that parts on both sides and looks to have his Sire's hair gene! He would make a very nice breeding stallion since he has a chocolate and Dun gene to add some color to any Rocky Mountain breeding facility. He was born on 6/20/21. He has prominent strips on his legs, Dun stripe down his back, barring on his withers and webbing on his forehead. Blaster will shed off this spring and will be much darker. He should mature to around 15+ hands. His Dam is a beautiful Grulla mare out of Spanish Sundown and Sire a stunning Palomino out of Hershey's White Chocolate

so he has some old bloodlines! He is easy to handle, his owner/breeder works with him daily so he leads, ties, stands for grooming and you can pick up his feet. He's registered Rocky Mountain and has been wormed, vaccinated and his feet trimmed. Below you can see pics of his Grulla Dam and Palomino Sire and videos available of them also. Watch his video to see how natural gaited he is!
