

**Gorgeous 16 HH Seasoned Trail Horse Deluxe**

**\$ 6,000**

**Description**

Gibbs is a 16 yr old, 16 hh, grade gaited gelding. (Walk, trot, rack & lope) Seasoned trail horse, loves clinics, camping, has been around cattle, and even has some entry level dressage training. He has a beautiful canter and will pick up either lead. He crosses water, trailers, lunges, side passes under saddle, turns on the forehand and haunches. Gibbs is preferred with an intermediate rider who is a leader as he does have some energy about him. He will walk on a loose rein, but is more than happy to move out. He has a slower gait, and when asked will move out into a nice long trot to cover more ground. Gibbs likes to have a job and does best when he is kept busy. His owner has had him for 9 years and only selling him because of her back problems and having to ride her smaller horse. He's up to date on vaccines, worming, teeth floated, shoes, regular Chiropractic visits, coggins and health certificate.
