### Description

This beautiful boy has done it all! He's a multi Reserve Grand Champion Trail Pleasure winner for Rocky and KY Mountain and even won the Novice Grand Championship with a Novice rider that had never even practiced on him! He's easy to ride and has several speeds. Since he's been gelded this summer he's not as high stepping as he was in some of his video. The video of him in the practice ring at this years RM International is current. He competed in Country Trail classes. He's not hard to ride, he's automatic in the ring and because of all that experience and the things he's seen he's not going to have trouble making the transition to the trails! Iron Man is

use to traffic, golf carts, 4 wheelers, crowds of people, loud music, dogs, horses riding close and all around him. He also is fine if you want to ride out alone. His owner raised him and would love to see him go to a trail rider who'll let him enjoy riding in the woods! He's got wonderful bloodlines and perfect Rocky conformation! Iron Man stands for mount, dismount, bathing, Farrier, leads, ties, trailers great! He's up to date on vaccines, worming, feet and coggins. Once you see his video and his wonderful smooth gait you'll fall in love with this guy!
