

## Stunning Well Trained Trail Horse

\$ 7,000

### Description

Karma is not only a beautiful mare but equally as sweet! She loves people and super smart. Her owner has had some life changing issues and must sell her beloved Karma that she's had 8 years along with her 7 year old chocolate pasture mate Luna. Luna is greener only because she's not been rushed, she's a nice riding horse and has been on some trail rides but just needs continued riding. Karma is very special, she's so loving that her owner lets kids ride her with a bareback pad in the coral! Karma is a gentle horse that needs a gentle person that has a soft hand and loving heart like her. Owner does not want her going to a boarding facility, her new home must have a paddock for her to run. She will give someone a great price if they purchase them both and keep them together! Karma stands great for the Farrier, has great feet, mounting, dismount, bathing, cross ties, leads and loads. She's wonderful out on the trails, not spooky at all and can move out if you ask her! Owner says she's suitable for someone that knows how to ride a gaited horse. She's UTD on her vaccines, worming schedule, feet, teeth and coggins. Video of her under saddle coming soon!
