

Gorgeous Well Bred Grey Yearling Colt

\$ 8,500

Description

Amigo is a handsome young well bred Grey colt that has amazing bloodlines top and bottom! He has been color tested and has one Grey gene and no red gene. He has tons of show horses in his pedigree such as Hang Em' High, Outlaw Josey Wales, Becknell's Red River Rock & Magnum, Diamond Doc, Dock and many more! He would be perfect as a future breeding prospect to add color to any Rocky breeding program! Amigo should mature to 15 hands and be a dapple grey like his Sire & Dam are. Below are pics of some of the Grey show horses in his pedigree. His owner has worked with him on leading and picking up his feet for the Farrier. He has a sweet personality and us turned out with other youngsters so he can grow and thrive. Watch Amigo's video to see how well behaved and gaited he is! Located in Parksville, KY.
