

Gorgeous Sweet Green Broke Chocolate Mare

Description

Thanks- tiny additions please all in CAPS: (do you agree?) Annie is a beautiful Kentucky Mountain, chocolate mare. She's the whole package with her pretty looks and flowing flaxen mane and tail. She is 5 years old, her DOB is 7/4/17. She has a super sweet temperament and just loves to be with you!! She has that puppy dog temperament from her Rocky Mountain side!! Annie should have an advanced rider that can finish her training since she's only green broke. She's really not had formal gait training, so it is all natural. She has been a young girls horse, 12 years old, and hand-raised by the family FOR ALMOST HER ENTIRE LIFE. She was shown in 4H halter work, has done groundwork and even some obstacles. Annie has been desensitized with everything you can imagine and has been ridden bare back some on the farm. Annie would be a GREAT trail horse – she will follow you around and will become your best friend. Annie would be amazing with the right person, she's not spooky, just hasn't been specifically trail ridden AND NEEDS FURTHER TRAINING AND SADDLE TIME. We purchased Annie from her original owners, but due to unforeseen circumstances, unfortunately, we need to sell her. WE HAVE ONLY HAD HER FOR A COUPLE OF MONTHS. Annie stands excellent feet trimmed, bathing, grooming, cross ties, leads and loads great! She's up to date on all her vaccines, worming, feet, Coggins and health certificate. She's located in Grafton, WI
